# Sponsor A Child

&

# Giving Tree

With help from our generous community members, the Holbrook School's Sponsor A Child program has been able to provide warm clothing, boots, winter jackets, holiday meals, and joy for children and families in our community who may be struggling during the holidays. We are hoping, with the help of our RSU 63 community, to help out our families in need again this year.

The Holbrook Giving Tree is now up outside the Holbrook office and is filled with gift tags for children in our district. If you would like to take a tag to help an RSU 63 family, please have the item returned to the Holbrook Office no later than **December 10th**. No need to wrap anything! If you have any questions, you can reach out to Ms. Hutchins or Ms. McCarthy. Donations to the Sponsor A Child Program can be sent to the Holbrook School or instead of a monetary donation, you can volunteer to be a shopper to help us acquire the things some of our families will need this holiday season. We welcome any contributions, and your help is greatly appreciated.

If you know of a family within our community who would benefit from this program, either as a recipient or as a sponsor/shopper, please let us know. May your holiday season be bright and hopeful, as you have given to others through your thoughtfulness and generosity.

Thank you for helping us spread joy and happiness this Christmas season.

Warmest Regards,  
Desiree McCarthy [dmccarthy@rsu63.org](mailto:dmccarthy@rsu63.org)

Each year the 8th-grade students interview veterans and participate in the Cole Land Transportation Museum's essay contest: What Freedom Means to Me After Interviewing a Veteran. The museum reads through essays submitted by both middle and high school students and selects the top 4.

Mackenzie Reardon placed 4th out of all the essays submitted! She had the privilege of reading her essay at the Cole Land Transportation Museum's Veterans Day ceremony with the veteran she interviewed standing next to her. Congratulations Mackenzie!

Students in Mrs. Blake's 1st grade class are practicing their reading skills by sharing their stories with Mrs. Davis's Pre-K students! What a great mentoring program! Well done Mrs. Blake, Mrs. Davis, and students!

# Good News!

Both PreK classrooms have adopted a calf through the "Discovery Dairy" program. We are learning about dairying in the state, what food items are made from cow's milk and about our calf. We get monthly updates on the growth of our calf and pictures as well.

For Halloween, Ms. Leland and Mrs. Davis dressed up as their cows, Tina and Wynonna. Miss Morghan and Mrs. Connor dressed up as farmers. We took the opportunity to learn more about dairying even on Halloween. (The picture attached is from Halloween at school)

On November 5th, we did a school-wide voting on our favorite calf, to teach the students about voting and elections. All the students in PreK- 1st grade were given a ballot and they voted on Tina or Wynonna. They selected their vote and then placed it in the ballot box. Votes were counted at the end of the day and Ms.

Leland's classroom calf, Tina, was the Eddington Winner.

There was a nationwide campaign for "America's favorite calf" through Discovery dairy that we were also involved with. Nationwide, Wynonna placed 56th in the nation and Tina came in at 72nd place. We watched the "Live Watch Party" along with over 2000 other classrooms across the nation for the winner to be announced. The students are so engaged and we look forward to meeting Tina and Wynonna in the spring. They live on Witter Farm at the University of Maine.
