Originally enacted to mark the end of World War I (11th hour of the 11th day of the 11th month), Veterans Day now celebrates and honors all who have so proudly served their country in the armed services. Monday, we will close our schools in recognition of Veterans Day. Please help our students understand the importance of this day and why we have a “long weekend” this week.

While our first thoughts may be of those brave men and women currently serving in uniform in lands both near and far, we are also mindful of those soldiers that walk amongst us right here in our District. Once again, please help me in thanking those employees and family members of RSU 63 who so proudly and honorably served our country:
